User Manual

Important: For safe operation read all instructions before use.

- Close supervision is necessary when used by or near children.
- Do not stare at bulb or its reflection while light is on.
- Use in dry location only, not designed for outdoor use.
- Best if used on a level surface.
- Unplug when not in use and when changing bulb.
- Keep bottles of UV sensitive gels and away from lamp when on.
- Avoid getting UV Curing Gels on skin.
- Gloves and eye protection should be worn when handling UV Curing Gels.
- Work in a well ventilated area.
- Wash away any spills with warm soapy water.
- Follow UV Curing Gel manufacturer's directions as each product is different.
