Preserve your memories in glass with this Candle Light Frame project. This Frame makes a unique and wonderful gift for a man or woman, for any occasion!

Directions:

1. Cut pictures to fit the Memory Frames. We used three, 1" frames, two, 1-1/2" x 3" frames and two, 1-1/2" x 1-1/2" frames.

2. Using the Memory Glass, put the pictures between two pieces of glass and into the matching frame.

3. Cut decorative glass into assorted strips creating a pattern with the pictures to fit within the opening in the 2-1/2"x 4-1/2" Candle Light Frame.

4. Foil the decorative glass pieces.

5. Solder around the edges and add jump rings.

5. Attach pictures together using the assorted silver jump rings and attach to the top rail of the candle frame.

4. May be lit with a tea light candle or votive.
