## **Project Patterns Issue #25**

### **Contemporary Lampshade**

**Materials:**

- Glass: A) 1 square foot  
B) 1/2 square foot  
C) <1/2 square foot

This pattern makes a 6-sided lampshade. You need to cut three of each piece shown in the patterns, build three of each panel, and then assemble the six panels into a shade by alternating the two panel designs all the way around.
