## Materials:

Dichroic Glass of your Choice

#63499 Men's Classic Accessory Set

#B2100F Bullseye Clear, Black Streaky

#77201 Triolyse Adhesive

## Instructions:

1. Cut a dichroic glass of your choice to the following sizes:  
Money Clip: 2" x 1"  
Tie Tack: 1-3/4" x 1/2"  
Cuff Links (2): 5/8" x 5/8"
2. Repeat with Bullseye Clear, Black Streaky layering it on top of dichroic glass shapes
3. Place on a prepared kiln shelf and full fuse.
4. When cool apply Triolyse adhesive following manufacturer recommendations and set in place on findings. Note: If pieces need to be shaped after firing, cold work with grinder and fire polish before setting onto findings.
