# Harvest Scarecrow Garden Stake

Dress your yard for Fall with this  
Stained Glass Harvest Scarecrow.

## Materials:

- #40220 Scroll Garden Stake
- #W58G Light Amber Opal Granite
- #K46SPL Red and Yellow Opal
- #3000 Mastercraft 60/40 Solder
- #4520 14ga Pre-tinned Wire
- #5506 Super Brite Copper Patina for Solder
- #5614 Copper Reinforcing Strip
- Excelsior
- 1/4" and 1/2" Dowels
- Duct Tape

## Instructions:

Measure garden stake and adjust pattern to fit. Using basic stained glass techniques, construct the circular panel to fit the dimensions of your garden stake. Decorate both sides of the panel with wire "stitching". Silicone panel into the garden stake.

## Design Tips:

- Secure a 1/2" dowel with duct tape to the garden stake to create shoulders.
- Dress scarecrow with a festive shirt.
- Use excelsior or straw for stuffing neck and wrist.
- Use Copper Reinforcing Tape to tie at the waist, wrist and to create fingers.
- Attach 1/4" dowels to support arms.
- Set into terra-cotta pot filled with Styrofoam sheeting and cover with additional excelsior.
