

Unique Hair Accessories

Add sparkle or spunky personality to your tresses with designer hair clips.

Project shown by artist Tia Collin.

Materials:

Millefiori or fusible glass

Bobby Pins #704822

Triolyse Adhesive #77201

Instructions:

1. If using fusible glass sheets, cut small squares (approximately $\frac{1}{2}$ " x $\frac{1}{2}$ ")
2. On a prepared kiln shelf, position millefiori or fusible glass with space between pieces and fire to a full fuse
3. Clean glass pieces thoroughly
4. Affix fused glass "gems" to bobby pins with Triolyse Adhesive and allow to cure

Additional Ideas for Hair Accessories:

- Create with Ponytail and Barrette Molds to match Barrette Findings
 - 4" Ponytail Barrette Mold #62730 or 8" Ponytail Barrette Mold #62764 + Ponytail Barrette Clips #704162
 - 5" Barrette Mold #4269 + Alligator Clips #704123 or French Barrettes #704163
- Add dazzle with Dichroic Glass
- Combine simple fused glass, decals and Alexa Ponytail Holders #85459 to make personalized accessories
