# Mosaic House Number Plaque

Compliment your home and grab some new curb appeal with bright, colorful numbers!

Project by artist Julie Haan

## Materials:

Cascadia Opal Art (#X23354)

White and Orange Opal (#S3751)

Yellow scrap glass

Weldbond Adhesive (#65103)

White Sanded Grout (#425580)

1/2" Plywood cut to accommodate your house number

Masking or painters tape

Glass cutter & Wheeled Nippers

White Exterior Latex Paint

Grout Sealer (#20111)

## Assembly:

1. Prepare plywood by diluting 3 tablespoons of adhesive with one tablespoon water. Paint on surface of plywood.
2. Tape the edge of plywood with masking or painters tape.
3. Cut house numbers of your choice from White and Orange Opal. Set in place with adhesive.
4. Cut Cascadia Opal Art into 1/2" strips, nip into triangles. Cut yellow squares.
5. Using triangles and squares, fill in background
6. Let dry following manufacturers recommendation for adhesive.
7. Grout and let dry again following manufacturers recommendation for grout.
8. Remove tape and paint sides and back of plaque with exterior paint.
9. Apply grout sealer and hang.
