Other jewelry findings of your choice

1. Cut Black, Purple, Green and Orange Glass into narrow strips approximately  $\frac{1}{4}$  inch wide.
2. Use Wheeled Nippers to nip small squares from each strip.
3. Use a dab of fusible glue to adhere a millefiori to each glass square.
4. Fire to a full fuse in a standard or Fuseworks Microwave kiln .
5. Use E6000 to adhere glass gems to findings of your choice.
6. Show off your spooktacular jewelry - enough supplies to create multiple projects!
